⚠

WARNING:

Orders will be processed and automatically manufactured after **24 hours**

ALL BOLD options are processed automatically

Standard specification:
Frame construction will be of Rehau 70mm profiles, fully welded & grooved joints, internally glazed with co-extruded & welded glazing gaskets, Qlon and butt hinges. 44mm composite door slab.
Locks: 2 hook and deadbolt door lock, Ultion 3 star cylinder. Shootbolts to all casements, 90 degree stays to side hung casements. Fab n Fix furniture. **Choose slab glass design & obscure pattern.** Furniture options must be chosen & availability checked from the sheet on the Iceni website. **Glazing beads:** As standard beads will accept only a 28mm overall unit.

⚠ Important: Before ordering please ensure that you are familiar with our products and specifications. We will not accept responsibility for want of knowledge in the event that items do not meet with your requirements. By ordering these products you are acknowledging our standard terms and conditions of sale.
